active PLS™ PEAS LENTILS SOYBEANS

2-10-10
Seed
treatment
for legume
crops

Contains nutrients to support seed germination and root growth and is compatible with inoculants.

DIRECTIONS FOR USE: READ THE ENTIRE LABEL BEFORE USING THIS PRODUCT. SHAKE WELL BEFORE USING. Apply once before seeding as a seed nutrient dressing to soybeans, faba beans, peas, lentils, chickpeas and other beans using 4 L / metric tonne of seed. Seed coating can be done simultaneously with Active PLS™ and compatible agrochemicals. If using Active PLS™ without additional agrochemicals, dilute with water (1:1 ratio) to ensure uniform coverage of seeds. Calibrate equipment to release the required amount of Active PLS™ and other agrochemicals based on seed flow rate. Thoroughly mix seeds with the Active PLS™ (and other agrochemicals). A coloring additive allows a visual check to ensure all seeds are uniformly coated. Allow treated seeds to air dry for 5-10 min before seeding. Application rates exceeding recommended rates can negatively affect seed germination. Always follow label directions. Use this product on the basis of soil and tissue analysis in accordance with recommendations of a qualified person or institution or apply according to recommendations in your approved nutrient program. This product may be tank mixed with pesticides. In some cases, tank mixing with pest control products can result in reduced pesticide efficacy or increased host crop injury. The user should contact the company responsible for the pest control product before applying any tank mix. **COMPATIBILITY:** Compatible with Rhizobium and Bradyrhizobium inoculants. This product is compatible with most other pesticides and fertilizers. If compatibility is uncertain, conduct a jar test prior to use. Add tank mix partners in the following order: Seed, Agrochemical, Active PLS™, Inoculants. Keep agitator running while mixing.

GUARANTEED MINIMUM ANALYSIS:

Total nitrogen (N)	2%	Manganese (Mn)(<i>actual</i>)	0.1%
Available phosphoric acid (P ₂ O ₅) ..	10%	Molybdenum (Mo)(<i>actual</i>)	0.05%
Soluble potash (K ₂ O)	10%	Nickel (Ni)(<i>actual</i>)	0.001%
Boron (B)(<i>actual</i>)	0.1%	Zinc (Zn)(<i>actual</i>)	0.2%
Cobalt (Co)(<i>actual</i>)	0.04%	Fulvic acid	1%
Iron (Fe)(<i>actual</i>)	0.005%	Lactic acid	1%
EDDHA (Ethylenediamine-N,N'-bis(2-hydroxyphenylacetic acid)	0.0125%		
EDTA (Ethylenediaminetetraacetic acid)	0.36%		

CAUTION: THIS FERTILISER CONTAINS BORON, COBALT, IRON, MANGANESE, MOLYBDENUM, NICKEL, AND ZINC AND SHOULD BE USED ONLY AS RECOMMENDED. IT MAY PROVE HARMFUL WHEN MISUSED.

PRECAUTIONARY STATEMENTS: Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Wear chemical resistant gloves, coveralls, goggles and face protection. If mists are present and ventilation is absent or poor, use an air purifying respirator. Do not eat, drink or smoke when using this product. Wash up thoroughly before eating, drinking, smoking and leaving work. **FIRST AID: IF SWALLOWED:** Rinse mouth. Do NOT induce vomiting. Seek medical attention if you feel unwell. **IF ON SKIN:** Immediately take off all contaminated clothing. Rinse skin with water (or shower). Wash contaminated clothing before reuse. Seek medical attention if irritation persists. **IF INHALED:** Remove person to fresh air and keep comfortable for breathing. Seek medical attention if you feel unwell. **IF IN EYES:** Immediately flush eyes with a gentle stream of water for 15 minutes while holding the upper and lower eyelids open. Remove contact lenses, if present and easy to do. Seek medical attention if irritation persists.

STORAGE: KEEP OUT OF REACH OF CHILDREN. Store locked up in a cool, dry, well ventilated area away from food or feed storage. DO NOT FREEZE. **DISPOSAL:** Dispose of this product and its container in accordance with Federal, Provincial, and Local regulations. **WARRANTY AND CONDITIONS OF SALE:** Manufacturer warrants that this material conforms to the chemical description hereon and is reasonably fit for use as directed. No other warranty is made, either expressed or implied.
