#### **SECTION 7 – HANDLING AND STORAGE**

HANDLING	Wear personal protective equipment outlined in SECTION 8. Do not breathe mist/spray. Do not apply within 21 days to harvest. Do not re-enter or allow re-entry into treated areas until 4 hours after application. Do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate or allow rinse water to contaminate ponds or lakes. Do not connect an irrigation / chemigation system unless the backflow system (backflow preventer, check valve, vacuum relief valve) is in place to prevent water source contamination from backflow.	
STORAGE	Store in a cool, dry, well ventilated area.	
DISPOSAL	Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in sanitary landfill, or incinerate by burning, if allowed by provincial and local authorities. If burned, stay out of smoke.	

#### **SECTION 8 – EXPOSURE CONTROL / PERSONAL PROTECTION**

EXPOSURE LIMITS	Exposure Limits	<b>ACGIH</b> Not available	NIOSH Not available	<b>OSHA – Final PEL's</b> Not available	
ENGINEERING CONTROLS	Ensure adequate ventilation absent or poor, use an air pu		•	ists are present and ventilation is	

#### PERSONAL PROTECTIVE EQUIPMENT

Skin	Avoid contact with skin or clothing. Use water chemical resistant gloves, long sleeved shirt, long pants, and shoes plus socks
Eyes	Chemical goggles or face mask
Respirator	If mists are present and ventilation is absent or poor, use an air purifying respirator

## SECTION 15 – REGULATORY INFORMATION

This SDS is prepared to comply with the Global Harmonized System of Chemical Classification and Labeling (GHS) and conforms to the requirements of the Hazard Products Act and Regulations (WHMIS 2015) and the OSHA Hazard Communication Standard (29 CFR 1910.1200).

## **SECTION 16 – OTHER INFORMATION**

To the best of our knowledge, the information contained herein is current and correct as of the date of this SDS, however, the information and recommendations are presented without warranty, representation or license of any kind, with respect to their accuracy, or completeness, and the seller, supplier and manufacturer (Supplier) of this material or their affiliates, disclaim all liability for reliance on such information and recommendations.

Final determination of the suitability of any material is the sole responsibility of the buyer or the user (recipient). All materials may present unknown hazards and should be used with caution. The recipient assumes all risk in connection with the use of this material and assumes all responsibility for ensuring the material is used in a safe manner in compliance with applicable environmental, and health and safety laws.

The supplier does not warrant the merchantability of this material or the fitness of the material for any particular use and assumes no responsibility for injury or damage caused directly or indirectly by the use of this material.
